

OREGON GOVERNMENT ETHICS COMMISSION

INVESTIGATION

CASE NO: 25-164PJS

DATE: September 29, 2025

RESPONDENT: NISHIOKA, Linda, City Councilor, City of Salem

COMPLAINANT: HINES, Brian; LAPINEL, Elliott

RECOMMENDED ACTION: Make preliminary findings of violations of ORS 192.630(1), ORS 192.630(2), ORS 192.640(1), ORS 192.650(1), OAR 199-050-0020(1) and (2); OAR 199-050-0015(4)

SYNOPSIS: Linda Nishioka is a City Councilor for the City of Salem. The complaint in this case was submitted by Brian Hines on March 12, 2025, and a similar complaint was submitted by Elliott Lapinel on March 17, 2025. The complaints allege that Linda Nishioka, along with the other members of the Salem City Council, may have violated provisions of Oregon Public Meetings Law by engaging in prohibited serial communication by discussing whether Keith Stahley should be asked to resign from his position as City Manager for the City of Salem (City).

At its June 13, 2025 meeting, the Commission considered the information presented in the preliminary review and found cause to open an investigation. In investigation, Commission staff examined the communications among the City Councilors, including Mayor Julie Hoy, and Linda Nishioka. Based on the evidence in this case, Linda Nishioka communicated with other City Councilors to discuss matters within the City Council's jurisdiction, including the resignation of City Manager Keith Stahley; and in doing so, she engaged in prohibited serial communications, in violation of ORS 192.630(1) and OAR 199-050-0020(1).

///

1 The information indicates that Linda Nishioka participated in communications amongst a
2 quorum of a governing body, engaging in discussions that are part of the governing
3 body's decision-making process on matters within the authority of the governing body.
4 When she did so, she participated in a "meet in private" in violation of ORS 192.630(2)
5 and OAR 199-050-0015(4).

6
7 When the City Councilors convened outside of a public meeting by engaging in prohibited
8 serial communications, they did not publicly notice these meetings or make them
9 available to the public; thus, the City Councilors violated the public meeting notice
10 requirements in ORS 192.640(1). Because the City Councilors failed to provide for a
11 recording or minutes of their meetings, they violated ORS 192.650(1).

24 and

25 (f) Any other means of conveying information.

26 * * * * *

27
28 **INVESTIGATION:** On March 12, 2025, the Oregon Government Ethics Commission
29 (Commission) initiated a preliminary review based on information in a signed complaint
30 from Brian Hines, and a similar, duplicate complaint submitted by Elliott Lapinel
31 (Complaint). The Complaint alleges that Linda Nishioka, along with the other Salem City
32 Council members, may have violated Oregon Public Meetings Law by engaging in

1 prohibited serial communications. The Complaint states that Mayor Julie Hoy had
2 individual conversations with a majority of the City Councilors, including Linda Nishioka,
3 discussing whether Keith Stahley should be asked to resign from his position as City
4 Manager for the City of Salem. The Complaint asserts that the City Council did not hold a
5 public meeting to discuss matters related to Keith Stahley's continued employment with
6 the City, and it alleges that members of the City Council engaged in prohibited serial
7 communications to force him to resign. (#PR1, #PR2).

8
9 At its June 13, 2025 meeting, the Commission considered the information presented in
10 the preliminary review and found cause to open an investigation. The focus of the
11 investigation was to determine whether there was sufficient evidence to indicate whether
12 Linda Nishioka, along with the other Salem City Councilors, violated ORS 192.630(1),
13 ORS 192.630(2), ORS 192.640(1), and ORS 192.650(1), OAR 199-050-0020(1) and (2);
14 OAR 199-050-0015(4).

15 16 Keith Stahley's Resignation

17 Keith Stahley resigned from his role as City Manager on February 9, 2025, stating he
18 was informed that a majority of City Councilors wanted him to resign. Keith Stahley's
19 resignation letter states:

20
21 I am submitting this resignation based on a meeting that I had with Councilor
22 Nishioka on Friday February 7, 2025, where she represented that she was the
23 duly authorized representative of the Mayor and a majority of City Council and
24 requested that I tender my resignation. (#PR3).

25 26 Grievances and Response

27 The Complaint included copies of the grievances submitted to the City of Salem by Elliott
28 Lapinel on February 14, 2025 and Brian Hines on February 15, 2025, alleging violations
29 of Oregon Public Meetings Law. (#PR1, #PR4). The City of Salem responded to both
30 grievances with a single email on March 7, 2025. (#PR5). The City's grievance response
31 denies that a quorum of the City Council used a series of communications to deliberate
32 toward a decision. It states that Mayor Julie Hoy asked other City Councilors about their

1 opinions on Keith Stahley's performance, and she expressed her concerns with the
2 Councilors. It also states that several of the City Councilors explained to Julie Hoy that
3 they did not have enough information to form an opinion. The grievance response
4 asserts that Julie Hoy did not act as an intermediary, stating:

5
6 [I]n order for the Mayor to have served as an intermediary, and therefore create a
7 serial meeting, the Mayor would have had to share information about councilor
8 views amongst a quorum of the Council. * * * [A]t no time did five councilors utilize
9 the Mayor as an intermediary to deliberate towards or make a decision related to
10 the former City Manager's employment with the City. Even if it is true that the
11 Mayor informed Council President Nishioka that a majority of the councilors
12 believed the former City Manager should consider resigning, thereby causing
13 deliberations to occur between the Council President and the Mayor, such
14 information would have been shared by the Mayor with only one member of the
15 council, well below the quorum level of five or the multiple members required by
16 the definition of intermediary. (#PR5).

17
18 Response

19 In a written response received on April 9, 2025, Jill Gibson, legal counsel for Julie
20 Hoy, denies that a quorum of the City Council deliberated toward, or made, a
21 decision through serial communications. (#PR6).

22
23 The response states that, between February 1st and February 14th, 2025, Julie
24 Hoy reached out to each City Councilor to have one-on-one conversations about
25 a recently completed City leadership audit. Julie Hoy, "told the councilors that in
26 light of the information in the audit, the Council may need to ask for [Keith
27 Stahley's] resignation." The response states that Julie Hoy did not share City
28 Councilors' feelings about Keith Stahley with other Councilors, and she did not
29 ask how the individual Councilors would vote. The response states that Julie
30 Hoy's conversations with the other City Councilors were purely factual in nature,
31 sharing information about the audit and Keith Stahley's performance, and telling
32 them that they would "need to address this issue" at a public meeting. The

1 response denies that Julie Hoy told Councilor Nishioka that a majority of City
2 Councilors wanted Keith Stahley to resign, and states that Keith Stahley was
3 never asked to resign. The response states that Councilor Nishioka went to Keith
4 Stahley on her own accord, and she let him know the City Council “would be
5 looking into the matter” of his work performance. The response states that after
6 this conversation with Councilor Nishioka, Keith Stahley chose to resign. (#PR6).

7 8 Salem City Attorney Statement

9 On February 15, 2025 the City of Salem released a statement from City Attorney Dan
10 Atchison concerning Keith Stahley’s resignation. Dan Atchison states that prior to Mayor
11 Julie Hoy’s individual communications with members of City Council concerning Keith
12 Stahley’s performance and potential separation from the City, she consulted with him,
13 and he advised her that one-on-one conversations with City Council members would not
14 violate Oregon Public Meetings Law. (#PR7).

15
16 Dan Atchison states that even though Councilor Nishioka spoke on the phone with
17 Mayor Hoy, Councilor Nishioka never claimed to be the City Council’s “duly authorized
18 representative” or implied that she was speaking on behalf of the City Council when she
19 asked Keith Stahley if he would consider resigning. Dan Atchison emphasizes that Keith
20 Stahley was only eligible for severance benefits if the City Council asked him to resign,
21 or if he was terminated. Dan Atchison states, “Stahley used that exact language
22 apparently because it was consistent with the language in his employment agreement
23 concerning his eligibility for severance, not because Nishioka ever uttered those words.”
24 (#PR7).

25 26 Communications

27 In a text message sent to Councilor Micki Varney, Councilor Linda Nishioka stated that,
28 prior to speaking with Keith Stahley, Julie Hoy told her that a majority of the City Council
29 was in favor of his resignation. Linda Nishioka stated she asked City Attorney Dan
30 Atchison if she could verify with the other City Councilors whether they, in fact, wanted
31 Keith Stahley to resign, but she was told not to contact other City Councilors. Councilor
32 Nishioka added that she had received “calls from other [City C]ouncilors and it seems

1 that Julie [Hoy] said the same thing to everyone. The majority of the [C]ouncilors wanted
2 Keith [Stahley] to resign.” (#PR8).

3
4 In a text message to Deputy City Manager Krishna Namburi on February 10, 2025, Linda
5 Nishioka stated that Julie Hoy told her that all City Councilors, with the exception of
6 Councilor Vanessa Nordyke, wanted Keith Stahley to resign. (#PR9).

7 8 February 10, 2025 Executive Session

9 During an executive session meeting held on February 10, 2025, several City Councilors
10 expressed concerns with a lack of transparency in what one City Councilor identified as
11 a “behind the scenes decision” to ask Keith Stahley to resign. Mayor Hoy explained that
12 she “touched base” with each of the City Councilors to have a “dialogue” about the
13 current state of the city manager position. Mayor Hoy stated that she “did not have these
14 conversations to count votes,” and she did not ask anyone to advise Keith Stahley to
15 resign. (#PR10).

29 the audit, and Varney said the document raised lots of concerns the City Councilors
30 should have the opportunity to discuss when the final version is released. Varney told

1 Hoy she needed more information before she could make a final decision about Stahley,
2 and she mentioned placing Stahley on administrative leave while the Council worked
3 toward resolving the issues. (#IR4).

9 basis to ask Stahley to resign, or that this discipline was warranted, and she suggests
10 postponing any action until after the levy election. Nordyke states that Hoy told her the
11 conversation would stay between the two of them, and she did not know that Hoy was
12 going to share the confidential conversation with other Councilors. (#IR8, #IR19).

30 other City Councilors to verify that they want Keith Stahley to resign. Atchison tells

16 surprised by what had occurred and suggests conducting an investigation instead.
17 Nishioka says the letter was well written, and they discuss who could serve as acting city
18 manager. Varney said she was contacting Tigan and Nordyke to send them drafts of the
19 letter. Nishioka says she asked Atchinson and Krishna (acting city manager) to create a
20 statement. They talk about if it is necessary to pursue investigation because it could
21 jeopardize Stahley's separation agreement. They suggest setting up an executive
22 session to discuss the matters. Varney tells Nishioka that she shared the draft letter with
23 Paul Tigan and states that he was not supportive. (#IR11).

29 Varney asks for suggestions and states her concern is that Hoy will demand Nishioka's
30 resignation. Varney discusses how the situation is not good for the levy. Tigan states that

1 he needs to think about it, and he wants to seek advice from the City attorney before
2 releasing a public statement. (#IR16).

3
4 ➤ *February 14, 2025 (Friday) - Varney/Nishioka*

5 Micki Varney exchanges text messages with Linda Nishioka about scheduling an
6 executive session to discuss city manager issues and to seek advice from the City
7 attorney. Varney states that she reached out to Paul Tigan to let him know that she is
8 ready to talk when he is, and states that she wants to know his position on the budget,
9 levy, and the Keith Stahley situation. (#IR17).

10
11 **CONCLUSIONS:** During the relevant period, Linda Nishioka was a City Councilor for the
12 City of Salem. The City is a public body, and the City Council is its governing body. [ORS
13 192.610(5) and (6)]. As a member of the governing body of a public body, Linda Nishioka
14 was required to comply with the provisions of Oregon Public Meetings law found in ORS
15 192.610 to ORS 192.705.

16
17 As the Oregon Supreme Court has indicated, there are two separate ways a governing
18 body may violate the public meetings law when they conduct activities outside of public
19 view. [*TriMet v. ATU*, 362 Or 484 (2018)]. The first is by “convening” a “meeting” without
20 complying with the Public Meetings Law requirements. The second is by conducting a
21 “meet in private” “for the purpose of deciding on or deliberating toward a decision on any
22 matter.”

23
24 **Convened a “Meeting” Without Complying with PML Requirements (Notice, Minutes, Etc.)**

25 To determine if a governing body convened a meeting, we ask four questions: (1) was a
26 quorum of the body involved; (2) did the body “convene” in the ways identified under the
27 statutory definition of “convening;”(3) did the body decide, deliberate, discuss, or gather
28 information; and (4) was the topic within the body’s jurisdiction?

29
30 The Salem City Council consists of nine members. [Salem Charter, Section 7]. The
31 Charter requires “the express concurrence of a majority of the council members present
32 and constituting a quorum is necessary to decide affirmatively a question before the

council.” [Salem Charter, Section 18]. Therefore, five members of the Salem Council constitute a quorum. [OAR 199-050-0005(9)]. In this circumstance, the series of communications and conversations involved Mayor Hoy, Councilor Nishioka, Councilor Gwyn, Councilor Matthews, Councilor Brown, Councilor Tigan, Councilor Varney, Councilor Nordyke. The communications involving more than five, there is a quorum involved.

The next question is whether there was a “convening.” As noted above, ORS 192.610(1) defines convening as including “using serial electronic written communication among participants” and “using an intermediary to communicate among participants.” Mayor Hoy communicated between herself, Councilor Gwynn, Councilor Matthews, Councilor Brown, Councilor Tigan, Councilor Varney, Councilor Nishioka, and Councilor Nordyke, to discuss leadership audit and Keith Stahley’s performance as City Manager. The evidence suggests that a quorum of the Council met through Mayor Hoy, the Chair of the Council, as an intermediary. Additionally, under the Salem City Charter and Salem Council Rules, the Mayor is the presiding officer and is to “preside over deliberations of the council” and “preside at all meetings.”[Salem Charter, Section 16; Salem Council Rules, Section 2(1)]. Meetings may be called by the presiding officer. Salem Council Rules, Section 4]. The evidence indicates that the individual with power to call Salem City Council meetings and preside over them “convened” a meeting through use of herself as an intermediary to speak individually with each Councilor. Therefore, the evidence establishes the Salem City Council “convened” as provided in ORS 192.510(1).

The City issued a press release stating “Mayor Julie Hoy had individual communications with different members of City Council concerning Keith Stahley's performance and potential separation from the City.” [#PR7]. Jill Gibson, the attorney for Mayor Hoy sent an email that contained first-person responses by Mayor Hoy to Investigator Sullivan’s questions. [#IR2]. Mayor Hoy stated when asked which Councilor she spoke to she stated “All, Tigan, Nishioka, Matthews, Gwynn, Brown, Nordyke and Varney.” [#IR2]. She stated she had these conversations between February 1 and February 6. [#IR2]. She stated: “I had the same basic message in each conversation with each councilor. The CMO’s audit, completed in April 2024 by consultants at Moss Adams, had not yet been brought to

1 council, and was not favorable for Keith. Staff has nowhere to go but to us for help with
2 this. It may be that at some point I have to sit down with Keith, then City Manager, and
3 ask for his resignation. I am not calling to count votes. I cannot do that. I am simply calling
4 to make you aware that this is a possibility and we've got some work to do in this regard."
5 [#IR2].

6
7 The next question is whether the body decided, deliberated, discussed, or gathered
8 information. As noted, "decide" means to means "any determination, action, vote or final
9 disposition upon a motion, proposal, resolution, order, ordinance or measure on which a
10 vote of a governing body is required, at any meeting at which a quorum is present." [ORS
11 192.610(2)]. "Deliberation" means discussion or communication that is part of a decision-
12 making process. [ORS 192.610(3)]. "Communicate" means the act of a person expressing
13 or transmitting information to another person through verbal, non-verbal, written, or
14 electronic means. Non-verbal means include gestures, such as thumbs-up and thumbs-
15 down, as well as sign language. [OAR 199-050-0005(1)]. "Communication" means the
16 expression or transmission of information from one person to another through verbal,
17 non-verbal, written, or electronic means. Non-verbal means include gestures, such as
18 thumbs-up and thumbs-down, as well as sign language. [OAR 199-050-0005(2)].
19 Discussion means "consideration or debate of the matter." [OAR 199-050-0005(6)].

20
21 In this instance, the Mayor and Councilors were deliberating, that is discussing or
22 communicating, about the performance of the city manager and whether to fire him or
23 request his resignation. These conversations involved each member of the City Council
24 and were conducted by the Mayor as the Chair of the City Council with express authority
25 to both call meetings and preside over them. At the very least a quorum deliberated.

26
27 In addition, it appears a quorum also decided to request the resignation of the City
28 Manager. In this instance, the communications were coordinated and orchestrated to
29 avoid deliberating and deciding in public. As stated by Councilor Nishioka, "Mayor Julie
30 Hoy told [Councilor Nishioka] that a majority of councilors believe Mr. Stahley should
31 consider resigning." [#IR12, #PR5]. This was also stated by Councilor Nishioka to other
32 Councilors in text messages, where she states that "[Mayor Hoy] is the one that said all

1 Councilors with the exception of Vanessa wanted him to resign.” [#PR9] The Mayor
2 admits she spoke to every Councilor about the matter through one-on-one conversations.
3 Mayor Hoy then communicated the results of her conversations that a majority wanted the
4 City Manager to resign and communicated that to Councilor Nishioka. [#PR9, #IR2,
5 #IR10]. The two then had a discussion about who should deliver the message to the City
6 Manager [#PR9, #IR2, #IR10]. Councilor Nishioka then communicated that to the City
7 Manager in an attempt to have him resign. [#IR12, #PR5, #IR10]. Councilor Nishioka
8 stated that she knew the performance audit would be presented at a public meeting
9 where a motion regarding the City Manager could occur. [#PR10]. Councilor Nishioka
10 stated that to avoid a contentious public meeting, she met with the City Manager to ask
11 the City Manager to consider resigning. [#PR10]. This is further supported by the City
12 Manager’s resignation letter, where he stated, “I am submitting this resignation based on
13 a meeting that I had with Councilor Nishioka on Friday February 7, 2025, where she
14 represented that she was the duly authorized representative of the Mayor and a majority
15 of the City Council and requested that I tender my resignation.” [#PR3]. There is evidence
16 that a quorum of the Council decided to request the resignation of the City Manager, that
17 request was communicated by Councilor Nishioka, and the City Manager acknowledged
18 in his resignation letter that the request for him to resign came from a majority of Council.
19

20 Additionally, the communications and deliberations by the Councilors did not end when
21 the City Manager submitted his resignation letter. From February 10th to February 14th,
22 Councilors communicated by phone and by text, and in doing so, some of them continued
23 their deliberations about Keith Stahley’s resignation, including whether to conduct an
24 investigation and place him on administrative leave instead of accepting his resignation.
25 [#IR11, #IR13, #IR16, #IR18, #IR19]. Linda Nishioka participated in these additional
26 communications.
27

28 The Mayor stated during an executive session that the purpose of her individual
29 conversation with each Councilor was to discuss the performance of the City Manager
30 and begin a dialogue among the Council. [#PR10].
31 ///

1 Finally, the last question is whether the topic of the decision, deliberation, discussion, or
2 information gathering was within the governing body's jurisdiction. In this case, the matter
3 of the City Manager's performance is within the Salem City Council's jurisdiction. [Salem
4 Charter, Sections 11 and 23].

5
6 The foregoing establishes that the Council "convened" a "meeting." As a result, the
7 Council was required to comply with the notice, meeting minutes or recordings, and other
8 requirements of the Public Meetings Law. The Council did not do so in this instance. As a
9 result, the Council and Linda Nishioka violated ORS 192.610(1).

11 Meet in Private

12 Public Meetings Law also provides that "[a] quorum of a governing body may not meet in
13 private for the purpose of deciding on or deliberating toward a decision on any matter..."
14 [ORS 192.630(2)]. "The legislature intended the broad language of ORS 192.630(2)
15 ('may not meet in private') to reach some decision-making of a governing body that does
16 not occur in a 'meeting.'" [*TriMet v. ATU*, 362 Or 484, 497 (2018)]. OAR 199-050-0015(4)
17 further explains that "[a] private meeting where a quorum of a governing body engages in
18 discussions or communications that are part of the governing body's decision-making
19 process on matters within the authority of the governing body violates the Public
20 Meetings Law." [See e.g., *Handy v. Lane County*, 274 Or App 644, 664-665 (2015) *aff'd*
21 *in part* and *rev in part on other grounds*, 360 Or 605 (2016), (Under a "meet in private"
22 "the determinative factors are whether a sufficient number of officials are involved, what
23 they discuss, and the purpose for which they discuss it—not the time, place, or manner
24 of their communications.")].

25
26 To violate the "meet in private" provisions of ORS 192.630(2), it must involve: (1) a
27 quorum; (2) they must meet in private; and (3) it must be "for the purpose of deliberating
28 or deciding" a matter. To establish the last element, there must be some evidence of
29 coordination, orchestration, or other indicia of a "purpose" by a quorum to deliberate or
30 decide out of the public eye. [ORS 192.630(2); see also, *Handy v. Lane County*, 274 Or
31 App 644, 666 (2015) *aff'd in part* and *rev in part on other grounds*, 360 Or 605 (2016)].

32 ///

1 As noted above, a quorum of the Salem City Council was involved in the series of
2 communications. The “meet” did not occur in public, but through private conversations.
3 Therefore, the first two elements are present. The last question is to determine if there is
4 an indicia of purpose such as coordination or orchestration.

5
6 Under the Salem City Charter and Salem Council Rules, the Mayor is the presiding
7 officer and is to “preside over deliberations of the council” and “preside at all meetings.”
8 [Salem Charter, Section 16; Salem Council Rules, Section 2(1)]. Meetings may be called
9 by the presiding officer. Salem Council Rules, Section 4.

10
11 In this instance, the communications were coordinated and orchestrated to avoid
12 deliberating and deciding in public. As stated by Councilor Nishioka, “Mayor Julie Hoy told
13 [Councilor Nishioka] that a majority of councilors believe Mr. Stahley should consider
14 resigning.” [#IR12, #IR10, #PR5]. The Mayor admits she spoke to every Councilor about
15 the matter through one-on-one conversations. [#IR12, #PR5]. The Mayor then
16 communicated the results of her conversation with each Councilor to Councilor Nishioka.
17 [#IR12, #IR10, #PR5]. Councilor Nishioka then communicated that to the City Manager in
18 an attempt to have him resign. [#IR12, #IR10, #PR5]. Councilor Nishioka indicated she
19 knew the performance audit would be presented at a public meeting where a motion
20 regarding the City Manager could occur. [#PR10]. Councilor Nishioka indicated that to
21 avoid a contentious public meeting, she met with the City Manager to ask the City
22 Manager to consider resigning. [#PR10]. The City Manager in his resignation letter stated,
23 “I am submitting this resignation based on a meeting that I had with Councilor Nishioka on
24 Friday February 7, 2025, where she represented that she was the duly authorized
25 representative of the Mayor and a majority of the City Council and requested that I tender
26 my resignation.” [#PR3]. The evidence establishes that a quorum of the Council
27 coordinated communications to acquire the resignation of the City Manager and that this
28 coordination occurred outside of a public meeting.

29
30 On this record, it appears that a majority of the Salem City Council, including Mayor Hoy,
31 at least “deliberated” and gathered information in a series of telephone calls and emails
32 over the course of several days, toward a decision to request the City Manager resign.

1 The private communications amongst the quorum of the Salem City Council from
2 February 1st through February 7th was for the purpose of deliberating or deciding on a
3 matter within the Council's jurisdiction; thus, the communications constitute a "meet in
4 private" in violation of ORS 192.630(2).

5 6 *Linda Nishioka's Participation*

7 Prior to her February 6th conversation with Julie Hoy, Linda Nishioka spoke with Paul
8 Tigan on February 3, 2025. Paul Tigan informed her that Julie Hoy spoke with him and
9 wanted Keith Stahley "to go." Linda Nishioka asked for Paul Tigan's opinion, and he
10 stated that the timing was poor. [#IR3]. On February 6, 2025, Julie Hoy spoke with Linda
11 Nishioka on the phone. They discussed the leadership audit and Julie Hoy informed her
12 that a majority of the City Councilors wanted Keith Stahley to resign. [#IR9, #IR10]. After
13 her conversation with Julie Hoy, Linda Nishioka met with City Attorney Dan Atchison to
14 ask if she could verify the information she heard from Julie Hoy by asking the other City
15 Councilors directly. Dan Atchison told Linda Nishioka not to contact the other City
16 Councilors about the matter to avoid a serial meeting. [#IR11]. On February 7, 2025,
17 Linda Nishioka met with Keith Stahley and asked him to consider submitting a letter of
18 resignation. When Keith Stahley resigned on February 9th, he stated that Linda Nishioka
19 "represented that she was the duly authorized representative of the Mayor and a majority
20 of the Council and requested that I tender my resignation." [#PR3]. After Keith Stahley's
21 resignation, Linda Nishioka had several conversations with other City Councilors via text
22 messages and phone calls. [#IR11, #IR13, #IR15, #IR17]. Linda Nishioka exchanged
23 numerous texts with Micki Varney about the situation, discussing the possibility of
24 placing Keith Stahley on administrative leave and conducting an investigation. [#IR11].
25 Linda Nishioka also had conversations with Vanessa Nordyke and Deanna Gwyn about
26 the matter, how it occurred, and how to proceed. [#IR11, #IR13, #IR18]. All of these
27 conversations were about matters within the jurisdiction of the City Council.

28
29 The communications among the City Councilors constitute a quorum of a governing body
30 engaging discussions or communications that are part of the governing body's decision-
31 making process on matters within the authority of the governing body; in Linda
32 Nishioka's case, she participated in the unauthorized deliberations when the Salem City

1 Council conducted a “meet in private.” Thus, she violated ORS 192.630(2) and OAR
2 199-050-0015(4).

3 4 Public Notice

5 ORS 192.640(1) requires governing bodies to provide public notice of meetings. Because
6 the City Council is a governing body for the purposes of Public Meetings Law, the public
7 meeting and notice requirements in 192.640(1) apply. When the City Council convened
8 through an intermediary outside of public meetings, they did not publicly notice these
9 meetings or make them available to the public. Therefore, Linda Nishioka and the other
10 City Councilors failed to comply with the public meeting notice requirements in ORS
11 192.640(1).

12 13 Meeting Minutes

14 The Salem City Council did not provide for the sound, video or digital recording or the
15 taking of written minutes of all its meetings when they convened through an intermediary
16 outside of a public meeting. As a result, Linda Nishioka and the other City Councilors
17 violated ORS 192.650(1).

18 19 Prohibited Serial Communications

20 The information available indicates that between February 1, 2025 and February 6,
21 2025, Mayor Julie Hoy had a series of individual conversations with a majority of the City
22 Council through text messages, phone calls, and in-person meetings. These
23 conversations included discussions of the City’s leadership audit, City Manager Keith
24 Stahley’s performance, and his continued employment with the City—each of which is a
25 topic within the jurisdiction of the City Council. During these conversations, Julie Hoy
26 was gathering information from City Councilors that could be used by the City Council to
27 make a decision about Keith Stahley’s ongoing employment with the City. Julie Hoy
28 weighed this information and determined that a majority of the City Council was in favor
29 of Keith Stahley’s resignation. Julie Hoy then shared this determination with multiple
30 members of the City Council, including Council President Linda Nishioka. Finally,
31 following her receipt of this information, Council President Nishioka informed Keith
32 Stahley that a majority of City Councilors wanted him to resign, before asking him to

1 consider submitting a letter of resignation. By discussing Keith Stahley's performance
2 and his possible resignation with multiple City Councilors, and by telling multiple City
3 Councilors, including Council President Nishioka, that a majority of other City Councilors
4 wanted Keith Stahley to resign, Julie Hoy acted as an intermediary through whom the
5 City Council convened through in violation of the requirements of public meetings law.

6
7 The evidence in this case indicates that the communications Julie Hoy had with City
8 Councilors do not fall within the exceptions set forth in ORS 192.690(1)(m). The
9 communications were not "purely factual" and instead conveyed deliberation or decisions
10 that "might reasonably come before the governing body." At the time the communications
11 were made, it was reasonably foreseen that the matter of the City Manager's
12 performance could come before the governing body for deliberation and decision.
13 Finally, the communications were substantive. Therefore, it is also clear that the
14 communications are not exempt under ORS 192.690(1)(m) and are subject to the
15 requirements of Public Meetings Law.

16
17 The City's grievance response states that Julie Hoy did not act as an intermediary
18 because she only shared City Councilor views with one other member of City Council,
19 Linda Nishioka, and she did not share Councilor views amongst a quorum of the City
20 Council. Despite this contention, the evidence establishes that Julie Hoy shared City
21 Councilor views with multiple members of City Council.

22
23 More importantly, even if Julie Hoy only shared City Councilor views with Council
24 President Nishioka, she still had private conversations with a quorum of governing body
25 members to deliberate toward a decision within the City's jurisdiction. A person acts as
26 an intermediary when they facilitate communications about a matter from one governing
27 body member to other governing body members. On each occasion Julie Hoy
28 communicated with individual City Councilors to share her concerns about Keith Stahley,
29 and to ask about their positions on his performance, information was shared between
30 members of the City Council, and this information was related to a decision within the
31 jurisdiction of the City Council. These discussions about Keith Stahley's performance
32 and possible resignation were part of the City Council's decision-making process. And,

indeed, these discussions culminated in the City Council President having a conversation with Keith Stahley that resulted in Keith Stahley submitting a resignation letter. This series of communications constitutes a “meeting,” as a quorum of City Councilors were “convening” through Julie Hoy as an intermediary in order to deliberate toward a decision. Linda Nishioka deliberated about Keith Stahley’s resignation with Julie Hoy, Paul Tigan, Micki Varney, Vanessa Nordyke and Deanna Gwyn. As these deliberations did not occur in a public meeting, Linda Nishioka violated ORS 192.630(1) and OAR 199-050-0020(1).

RECOMMENDATIONS: The Oregon Government Ethics Commission should make a preliminary finding that Linda Nishioka engaged in prohibited serial communications and thereby violated ORS 192.630(1), ORS 192.630(2), ORS 192.640(1), ORS 192.650(1), OAR 199-050-0020(1) and (2); OAR 199-050-0015(4). The Commission should further order that the case be moved to a contested case proceeding or that a negotiated settlement be entered. [Motion 10].
