

1) On or around March 27, 2021 the "Reserve a City Facility or Park" web page on the City of Salem web site was changed from saying reservations are not available, to saying the open use period would end on April 30, with reservations for events required as of May 1, 2021 or after.

I want emails, text messages, documents and any other communications relating to this change being made, including but not limited to who authorized the change to reservations being required as of May 1, 2021 or after and who made the actual edits to that web page.

(2) On or around April 30, 2021 the "Reserve a City Facility or Park" web page on the City of Salem web site was changed from saying reservations are required for events on May 1 or after to saying reservations can be made for outdoor events on May 31 or after.

I want emails, text messages, documents and any other communications relating to this change being made, including but not limited to who authorized the change to reservations being required as of May 31, 2021 and who made the actual edits to that web page.

(3) I want copies of reservation requests for outdoor events in city parks that were submitted to the City of Salem from March 27, 2021 to April 30, 2021.
